**Reflection Questions:**

1. Sunday we talked about moving from “Thankful for...” to “Wanting more...” in about 24 hours. What are some ways you’ve seen that happen?
2. In what way(s) are you prone to get caught up in the consumerism of Christmas?
3. What aspects of Jesus’ story of the Good Samaritan stood out to you most?
4. What questions does Jesus’ story of the Good Samaritan leave you with?
5. What are your thoughts about this passage in light of Jesus’ story? “Little Children let us not love with word or with tongue, but in deed and truth” 1 John 3:18
6. Is there an Advent Lights project that you are participating in? If not, why?
7. Is there another way you are seeking to love in deed this Christmas?
